

Texas Express 2020 Fall/Winter Tryouts
What is the Next Step after tryouts (Grades 3-12)?

- 1.** We encourage new club members to attend both days of tryouts on September 12th and 13th so that we can get a solid assessment of your son or daughters skills set. After tryouts evaluations have been completed, a roster invite email will be sent out to those who have evaluated at select level to join a team.
- 2.** After roster invite email has been received, we ask that all players who choose to join a team, finalize the online membership registration and upfront fees prior to attending practice starting the week of September 14th.
- 3.** When registration and upfront fees have been completed, players will be added to the team webpage, team snap app, and uniform kits will be assembled for delivery to practice. Please refer to payment schedule and sample cost breakdown to view cost associated with our program.
- 4.** Practices will begin the week of September 14th and days/times can be viewed on specific team pages on the www.texasexpress.org website. Team are assembled by graduation year, high school, and coach last name. We will practice once during the week and once on weekends when not participating in tournament play.
- 5.** Tournaments will begin at the end of September and conclude the 3rd weekend in November.

Thanks for your interest in the Texas Express Basketball Club!
